Summary and Purpose of Paper

Where a member of the NHS Somerset CCG Governing Body has an Interest, or becomes aware of an Interest, which could lead to a conflict of interests in the event of the Governing Body considering an action or decision in relation to that Interest, the Interest must be considered as a potential conflict and must be declared.

The Register of Members' Interests is part of the mechanism through which the NHS Somerset CCG Governing Body will ensure the integrity of their decision making processes

Governing Body members are also required to orally declare at each meeting specific Interests in respect of items on the agenda.

The Register as presented reflects the electronic database as at 15 July 2021.

Recommendation and Next Steps

The Governing Body is asked to Note the Register of Members Interests and to make any further declarations where appropriate.

All Governing Body members are asked to access the electronic database and re-confirm their Interests if they have not done so within the last four months. Also, to complete/update the gifts and hospitality element of the database where necessary.
