We confirm that to the best of our knowledge and belief having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

- v. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
- vi. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable. Such accounting estimates include expenditure accruals and the prescribing accrual. We are satisfied that the material judgements used in the preparation of the financial statements are soundly based, in accordance with the GAM and adequately disclosed in the financial statements. We understand our responsibilities includes identifying and considering alternative, methods, assumptions or source data that would be equally valid under the financial reporting framework, and why these alternatives were rejected in favour of the estimate used. We are satisfied that the methods, the data and the significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement or disclosure that is reasonable in accordance with the GAM and adequately disclosed in the financial statements.
- vii. We acknowledge our responsibility to participate in the Department of Health and Social Care's agreement of balances exercise and have followed the requisite guidance and directions to do so. We are satisfied that the balances calculated for the CCG ensure the financial statements and consolidation schedules are free from material misstatement, including the impact of any disagreements.
- viii. Except as disclosed in the financial statements:
 - a. there are no unrecorded liabilities, actual or contingent

- xii. We have considered the adjusted misstatements, and misclassification and disclosures changes schedules included in your Audit Findings Report. The CCG financial statements have been amended for these misstatements, misclassifications and disclosure changes and are free of material misstatements, including omissions.
- xiii. We have considered the unadjusted misstatements schedule included in your Audit Findings Report. - xvii. We have updated our going concern assessment and cashflow forecasts in light of the Covid-19 pandemic. We continue to believe that the CCG's financial statements should be prepared on a going concern basis and have not identified any material uncertainties related to going concern on the grounds that current and future

sources of funding or support will be more than adequate for the CCG's needs and there are no indications that the services provided by the CCG will not continue into the future.
