Joanne	Nicholl	Designated Doctor - Safeguarding Children	Non-Financial Professional	I have joined the local Government Association as a health peer reviewer. This involved going to other local authorities to assess their work with children and providing feedback as part of a team. It is a paid role and usually involves 3-4 days at the LA which I take annual leave from the ICB to cover. It allows me to see how other areas work and so I can bring back learning to Somerset as well as help other LAs improve their services for children. The team are invited by LAs and it is a review to give support rather than an inspection. I anticipated doing 1 or 2 of these a year.
