### Summary and Purpose of Paper

Where a member of the NHS Somerset Integrated Care Board (ICB Board) has an Interest, or becomes aware of an Interest, which could lead to a conflict of interests in the event of the Board considering an action or decision in relation to that Interest, the Interest must be considered as a potential conflict and must be declared.

The Register of Members' Interests is part of the mechanism through which the NHS Somerset ICB Board will ensure the integrity of their decision-making processes.

Board members are also required to orally declare at each meeting specific Interests in respect of items on the agenda.

The Register as presented reflects the electronic database as 23 November 2023.

### Recommendation and Next Steps

The Board is asked to Note the Register of Members Interests and to make any further declarations where appropriate.

Board members are reminded that any new or relinquished Interest should be advised to the Board, and updated on the electronic database, within 28 days of becoming known.

Board members should also update the electronic database on a regular basis (every three months or sooner) ensuring that the date of last sign-off is appropriately recorded.
