Somerset ICS Functions and Decisions Map ------

Strategic leadership	Health and Wellbeing Board Established by the Local Authority. Provides shared leadership for the local health and wellbeing system, to improve health and reduce inequalities. The Board has responsibility over all influences of health and wellbeing including health and care services as well as the wider determinants of health. Underpinned by a joint health and wellbeing strategy, 'Improving Lives'.			Integrated Care Partnership (ICP) A committee jointly established by the ICB and the Local Authority. Responsible for developing an integrated care strategy that meets the assessed needs of the Somerset population and are met by the exercise of functions of the ICB, Local Authority and NHS England. ICP Strategy will be "Fit for my Future".	
	Somerset Assurance Forum (SAF) Operates as a single forum for the Somerset ICS (with NHSEI) to obtain assurance against the System Oversight Framework (SOF) and system issues and performance.	Somerset System Groups Hosted as a committees of the ICB Board.	A Unit Responsible for provision of he population. Fu to meet the ass population, as i	Care Board (ICB) ary Board. or arranging for the ealth services for its nctions of ICB need sessed needs of the nformed by the ICP rategy.	ICB Committees ICB committees with responsibility delegated by the ICB Board on specific matters. Provision of assurance.
Delivery	Somerset Collaboration Forum Established by each of the constituent partner organisations. To develop a collaborative way of working amongst system partners. To oversee the aims of the Fit for my Future Strategy. Provides a forum for discussion and resolution of crosscutting issues. Delivery Boards Accountable to the Collaboration Forum, but report to the Somerset Assurance Forum (an ICS System Group) on matters relating to performance.			e Fit for my Future cutting issues.	Localities Development of a locality structure to link ICS with primary care networks (PCN), neighbourhoods and local community networks (LCN) to support local collaboration and delivery.
