Donne-Davis	Rachel	Local Area Contact, LeDeR	Indirect	Biggerhouse Film - have recently been commissioned to produce a number of short films for the LeDeR Team. I know two of the Biggerhouse Film team personally as friends and was involved with the decision to award Biggerhouse Film the work as the LeDeR Local Area Contact.	22/03/2022	31/03/2023	Interests have been declared as per the policy. The decision related to which provider to give the film work to was made using a scoring sheet with agreed criteria and carried out alongside two other members of the LeDeR team who do not know anyone from Biggerhouse Film personally. There are very few providers working in Somerset who have the necessary knowledge or skills to work with adults with learning disabilities and produce this quality of film. I have worked in LD services in Somerset for over 15 years so it is not unexpected that I would know some of the people involved. The decision to award the work to Biggerhouse Film was also discussed with the CCG quality lead for LD, Mental health and community services who agreed with the decision making and Single Tender Waiver processes were followed as per CCG policy.	29/03/2022
