Agile and Lean Project Management with Petroc, Devon

October start dates

Agile is a way of managing a project by breaking it up into several phases involving constant collaboration with stakeholders and continuous improvement at every stage. This bootcamp will take you through the basic principles of Agile and Lean Software Management and leave you ready to use these in your next role.

Web Development with Petroc, Devon

October start dates

This Skills Bootcamp will help you develop the knowledge and skills to design, build and launch a website that will give you a professional online presence.

Digital Marketing Skills with Bournemouth & Poole College, Dorset

October start date

Dive into a comprehensive curriculum that covers all of the fundamental marketing concepts necessary to step into the industry. This will include presenting skills, knowledge and information in a logical, progressive way, allowing you to use what they have already learned to process and understand new more complex content.

Computer Programming with Truro & Penwith College, Cornwall, Devon & Somerset

October and November start dates

This bootcamp is for people who wish to retrain to gain practical skills and knowledge in programming and software development. This Skills Bootcamp will be delivered at the following locations; Truro, Plymouth, Exeter and Taunton.

Digital Marketing with Truro & Penwith College, Cornwall

October and January start dates

This bootcamp is for people who wish to retrain or gain practical skills and knowledge in Digital Marketing. You will study a range of practical and theoretical subjects including marketing planning, SEO, copywriting, WordPress maintenance and website and social media analytics reporting.
